

ORDINANCE NUMBER 0402-98

CROSS CONNECTION AND BACKFLOW PREVENTION ORDINANCE

1. It shall be unlawful at any place supplied with water from Trenton Town Water Distribution System to do any of the following:
  - A. To install after written notification from Trenton Town water department or use and physical connection or arrangement of piping or fixtures which may allow any fluid or substance not suitable for human consumption to come in contact with potable water in the Trenton Town water distribution system.
  - B. To install any connection, arrangement, or fixtures without using a backflow prevention device or assembly designed to prevent a violation of subsection A. Any such device or assembly must be approved for installation by the Trenton Town water department with respect to each application.
  - C. To install any backflow prevention device or assembly described in subsection B which is not installed as required in the Utah Plumbing Code.
2. Officers and employees of Trenton Town shall have the right to enter any place which is supplied with water from the Trenton Town water distribution system. and conduct a hazard survey or any other examination or test reasonably necessary to the enforcement of this section.
3. Any user of water from the Trenton Town water distribution system, and not Trenton Town, shall pay all costs of installation and testing of backflow prevention devices or assemblies.
4. Backflow prevention devices or assemblies required by this section shall be tested not less than once each year by a technician certified by the Safe Drinking Water Committee of the State of Utah. Test results shall be furnished to the Trenton Town water system manager.
5. Water service may be discontinued to any user who is found to be in violation of this ordinance and who fails to take corrective action within ten (10) days after violation notification, except that water service may be discontinued immediately if an immediate threat to the water supply exists.
6. Any person who violates the provisions of this section shall be civilly liable to Trenton Town and to third persons other than Trenton Town, for all damages proximately caused by said violation.

DATE SIGNED April 7, 1998
