Trenton 24th News:

We are excited to announce that Trenton will be having all the traditional activities of the 24th celebration this year. It is scheduled for July 24 beginning with breakfast in the morning. Some of those include, lunch and parade around the block, carnival games and night run on the 23rd and fireworks. There is a sign-up sheet on the Town Website that will let you sign-up to help with carnival games. In addition t-shirts will be available to purchase- the order form is found on town website or from the town hall and is due by the 8th of July. Look for more information in next months newsletter.

WATER UPDATE:
All indicators are that this may be the worst drought year on record for the state of Utah. Fortunately we are in the portion of the state with the best outlook. Governor Cox asked all Utahns to use water wisely year-round. Some suggestions were:
* fix leaks
* run full loads (dishwashers and washing machines)
* turn off water while brushing teeth, shaving, soaping up, doing dishes or rinsing vegetables
* reduce showers by 1 minute
* install water wise toilets
* consider implementing water-wise landscaping or purchasing a smart irrigation controller.

Rebates of $100 per toilet are available for replacing toilets installed before 1994 at utahwatersavers.org
Although communities around us have issued water restriction orders, at present our water supply is meeting our demand. We appreciate your efforts to use water wisely.

Trenton has a new website! Many common questions can be answered by checking out the information there. Coming soon will also be a bill pay option, this will allow you to pay your water bill online. The web address is https://trentonutah.org/. More information about the bill pay will be available in future newsletters.
