**UTAH INTERNET SPEED TEST CAMPAIGN**

**SCAN TO TEST**

**YOUR INTERNET SPEED**

The Utah Broadband Center, powered by the Governor's Office of Economic Opportunity, is launching the Utah Internet Speed Test Campaign. It's a statewide effort for Utahns to report their internet speed at home, work, or wherever they connect to broadband. People with or without internet access are encouraged to participate. The Speed Test Campaign will help:

- Reveal areas of Utah that lack high-speed internet connection to homes and businesses

- Direct funding to provide reliable broadband access throughout the state
  - Discover which households do not have an internet connection and the reasons why
- Please help us identify Utah's areas with the greatest need for internet speed at this URL: [speedtest.utah.gov](http://speedtest.utah.gov). It only takes 60 seconds. The speed test form is available in both English and Spanish. For individuals who do not have access to the internet, please call the campaign's hotline at 1-435-777-TEST (8378).
