The Trenton Town Council is excited to announce that a \$225,000+ grant has been awarded to Trenton by the Cache County Council of Governments (COG). This grant was awarded to help redo North Center from approximately 500 North to 1200 North. Look for this terrific update to our town road system to begin next spring.

The billing for this month incorrectly states that it is a preview bill. Please disregard this and treat this as if it is the correct bill for the October - November billing statement. Thank you. If you have any questions please let us know. 435-563-9929.
